

Ethnic Dance Chicago

Future Options for Us:

EDC Special Outings for 2012

***There are three Fridays coming up this year when the
Latvian Center will be unavailable:***

June 22nd, September 7th, December 14th

We've not done an outing in an ethnic restaurant or an ethnic club for a while.

EDC group members: Please nominate places that you think would make for a great evening of interaction, dining and maybe even some dancing.

Consider This: We could probably still use the S.P.A.C.E. Center at 9pm so if we picked a place up north for a 7pm dinner, we could still have dancing at 9pm.

On the other hand, if we can find a nice place for dinner that will allow us to dance later in the evening, that would also be a nice option.

Send your suggestions to paul@ethnicedance.net or call 847-846-8139 or just tell me when you see me.
